**FUNDRAISING**

We will again be raising funds for the school by selling the Entertainment Books, which prove to be a huge success year after year. We sold 70 books in 2009, let's see if we can beat that record. Books will be released at the start of 2<sup>nd</sup> term, so please let all your friends and family members know that they can purchase them from us – the cost will be the same as previous years (\$65) and books are available from Deena Peacock. Last year's highest seller was again Lorraine Clay (Sarah Clay, Seniors), with Anthea Mete (Advanced Saturday class) only one book behind – well done ladies!!

We will also be running both the trivia night again and after the success of last year's event, the Mini Concert will go ahead in 2010. Many thanks to Lyn Craig and Julie Heller for organizing the trivia night, and for all the others who chased donations of prizes and auction items for the night, it was greatly appreciated. I'm sure we can make this year's events even bigger and better!

And of course a huge thank you to EVERYONE who supports our fundraising efforts, year after year, every bit raised helps and we appreciate your support!!

**SHOE & UNIFORM ORDER**

We will again be ordering a full range of dance shoes in Term 1, for Term 2 delivery. A notice will be given out during the term with specific details, and a full range of what can be delivered, as tights, leotards, etc can also be ordered. We will also look at a uniform order, depending on demand. Watch out for updates!!

## **CLASS ATTIRE**

Just a reminder of what is and isn't accepted as suitable attire for classes. It is most important that the teachers can see the students working correctly to prevent injury and incorrect technique so please ensure you are dressed appropriately.

### **ACCEPTED**

Leggings, tights, dance pants, boyleg shorts/hotpants (not loose shorts), wraparound ballet skirts, leotards, fitted t-shirts/singlet tops. Track pants and jackets/jumpers are recommended for colder months to be worn over dancing attire to keep warm to and from the venue, however not to dance in, as there is a danger of over heating the body.

### **NOT ACCEPTED**

Denim of any sort (unless worn over dance wear and removed prior to dancing), dangling jewellery or excessive jewellery, hats (hats used as props in class is fine), low cut or inappropriate tops or shorts. No running shoes/sneakers to be worn as dancing shoes (proper jazz sneakers permitted for older students), as there is a danger of twisting or rolling the ankle, and developing incorrect technique. If proper dance shoes have not yet been purchased, bare feet will be accepted or socks in colder weather.

If you have any queries, please see your class teacher.

## **FEES**

Please find attached a fee schedule, with details of class times, and a private lesson schedule (if applicable). Fees can be paid a number of different ways:

- Cash or Cheque (made out to C.Fleming please)
- Direct Deposit (this is arranged by prior consultation with Carole ONLY)

We strongly recommend to anyone that you set up a direct deposit arrangement, as it is the easiest way (for both yourself and us) to keep track of your fees. You can set an amount to be deducted weekly and before you know it, not only are your fees covered, but costumes, exam costs, etc can all be covered too!

Fees are due and payable by 4<sup>th</sup> week of each term. Please ensure you speak with Carole PRIOR to this deadline falling if you cannot meet it.

## **CONTACT DETAILS**

Please ensure you keep us informed of any changes to your contact details, for example:

- Home and/or postal address
- Telephone numbers – home or mobile
- Email addresses

We can then make sure you are always fully informed with everything that is happening!

## **MISSED CLASSES**

If you cannot make it to a class due to school camps, family holidays or other commitments, please try your best to inform your class teacher beforehand with plenty of notice, so teachers can plan ahead for this absence.

In the case of illness, we understand and appreciate that parents are thinking of both their child and others when they decide to keep a sick child at home. If possible, and to prevent any worry on the teacher's part (especially for those older students with licences now!), a phone call or text message would be very much appreciated to advise of the child's absence. We just like to know you are all safe and well!

## **ANY VOLUNTEERS OUT THERE??**

Each year we have both new costumes made, and alterations made to existing costumes. We always try to keep the cost down for everyone, therefore using our costumes in different ways year after year for all groups. We do also hire costumes from time to time.

We ask that if there is anyone willing to share their creative flair with us and assist with dressmaking/sewing/sequinning/trimming please let us know. The help is always appreciated as most of our teachers are full time workers on top of teaching, so we cannot rely on ourselves! If we know there are willing people out there we can plan our costumes well in advance and give those volunteers plenty of notice when help is required. Over the years we have had fantastic dressmakers and helpers such as Ana Bzovsky, Cynthia Lawson, Judy King, Dianne Tosin, and Rosie Ganegoda (all mums of students at Car-Dee)...however as their girls have grown up into adults and these ladies have given years of fantastic help it's time to give them a rest and bring on the next generation of helpers!

The more help, the better the costumes! Please let Carole know if you are able to help out – doesn't matter if it's a little time or a lot, any help is appreciated.
