# Trivia Night

---

Just a reminder that our Trivia Night is **Saturday August 22nd** at Keysborough Golf Club. Last year's event was a lot of fun and very successful in raising funds, with auction items suiting all interests and prizes galore! We hope to see as many people there as possible this year—lets make it a bigger and better event! If you know of anyone interested in donating auction items or prizes, please advise Carole. All donations will be gratefully received and acknowledged. Further information will be circulated shortly.

## Mid Year Mini Concert

---

As mentioned in our last newsletter, it has been decided that we would like to hold a Mini Concert this year, to showcase what the students have learnt so far. Each class will perform one routine in full costume for the audience. To make an evening of it, a spit roast dinner with all the trimmings will be served and tables will be set up cabaret style so that after dining, audience members can simply relax with a drink or tea/coffee and take in the entertainment. As this is a fundraising event, tickets will be sold with the price including dinner, dessert, soft drinks, tea/coffee and the entertainment.

The date for this event is Saturday 18th July, and the commencement time at this stage will be 6:30pm (confirmation will be communicated once it has been established whether the event will go ahead). ***Please see your teacher immediately if you know you or your child cannot participate on this date, so that arrangements can be made for their group to still go ahead and perform.***

This is an ideal event to invite people to that do not normally come along to the end of year concert due to the length of the show or they simply cannot make it—we need good numbers to ensure this goes ahead.

All students will be expected to participate, so please support your child/children by attending and enjoying a great night with great people and excellent entertainment! We will also require some volunteers for the night, to help out with serving, ushering to tables, etc. Any help would be greatly appreciated and acknowledged.

Please fill in the form below and return to your teacher (child's teacher) no later than **Saturday 12th June**, so that numbers can be established and then if the event is going ahead, we can book catering well in advance to ensure the best deal!
